## Toward Democratic Transformation: A Lab on Labs

**9. & 10. December 2019**

**IASS Potsdam, Berliner Strasse 130, 14467 Potsdam, Germany  
Villa Ballroom**

### Event Overview

The purpose of this workshop is to explore and experiment with lab methods and principles to promote democracy and sustainability. We will be guided by the question: What can labs contribute to democracy and sustainability in the German governmental system? The workshop aims to design early prototypes for such labs.
