

“Arctic Marine Conservation Dialogue”

A virtual forum for expert exchange
November 25th and 26th 2020 | 15:00 – 18:00 CET

Time	Programme for the 25 th of November		
14:40 onwards	<p><i>Informal hellos ... and checking that the technology works</i></p> <p><i>In case you need technical support, contact the Ecologic Institute via soeren.haffer@ecologic.eu</i></p>		
15:00 – 15:15	<p>1. Start of the meeting: Welcome and introduction to the workshop</p> <p>Janos Hennicke, Federal Agency for Nature Conservation & Arne Riedel, Ecologic Institute</p> <p>Opening words by the Federal Ministry of Environment, Nature Conservation and Nuclear Safety</p> <p>Anne Miehe, Federal Ministry for the Environment, Nature Conservation and Nuclear Safety</p>		
15:15 – 16:00	<p>2. Plenary: Arctic marine conservation: Current status – overview and plenary exchange</p> <p>Insights from the Circumpolar Biodiversity Monitoring Program (CBMP)</p> <p>Input by Tom Christensen, Section Leader “Arctic Environment” at Aarhus University and Co-Chair for the CBMP</p> <p><i>Moderation: Janos Hennicke, Federal Agency for Nature Conservation</i></p>		
16:00 – 16:10	Break		
16:10 – 17:30	3. Parallel working groups:		
	Status quo and challenges of Arctic marine biodiversity protection		
	<p>Group 1: Area-based management under climate change</p> <p><i>Moderation:</i> Nicole Wienrich (IASS)</p> <p>Input by Kristina Boerder (Dalhousie University)</p>	<p>Group 2: Sustainable fisheries in the Arctic</p> <p><i>Moderation:</i> Lina Röschel (Ecologic Institute)</p> <p>Input by Andrea Buchholz (Dalhousie University)</p>	<p>Group 3: Oil, gas and biodiversity protection</p> <p><i>Moderation:</i> Jan Dusik (WWF Arctic Pr.)</p> <p>Input by Daria Shapovalova (University of Aberdeen)</p>
17:30– 17:40	Break		
17:40– 18:00	<p>4. Plenary: Short summary and outlook on the second day</p> <p>Overview on the working group discussions by the moderators</p> <p><i>Moderation: Arne Riedel, Ecologic Institute</i></p>		

This event is being organized by [Ecologic Institute](https://www.ecologic.eu/) for the Federal Agency for Nature Conservation with the generous support of the German Federal Ministry for the Environment, Nature Conservation and Nuclear Safety. Implementation partners are IASS Potsdam and WWF.

Time	Programme for the 26 th of November		
14:45 onwards	<i>Informal check-in</i>		
15:00 – 15:20	5. Recap of yesterday's discussions Summary and overview on the second day of the workshop Janos Hennicke, BfN		
15:20 – 16:30	6. Parallel working groups: Approaches to improve Arctic marine biodiversity protection		
	Group 1: Area-based management under climate change Moderation: Nicole Wienrich (IASS) Input by Martin Sommerkorn (WWF Arctic Programme)	Group 2: Sustainable fisheries in the Arctic Moderation: Lina Röschel (Ecologic Institute) Input by Susanna Fuller (Oceans North)	Group 3: Oil, gas and biodiversity protection Moderation: Jan Dusik (WWF Arctic Pr.) Input by Alexey Knizhnikov (WWF Russia)
16:30 – 16:50	Break		
16:50 – 17:10	7. Plenary: Summaries from the working group discussions Overview on the working group discussions by the moderators Moderation: Arne Riedel, Ecologic Institute		
17:10 – 17:50	8. Plenary: Synthesis of discussions on both days and potential recommendations Structuring the identified approaches from the working groups (e.g. international, regional, national action and areas for further cooperation) Moderation: Janos Hennicke, BfN & Arne Riedel, Ecologic Institute		
17:50– 18:00	9. Thank you and next steps Janos Hennicke, BfN & Arne Riedel, Ecologic Institute		

This event is being organized by [Ecologic Institute](http://www.ecologic-institute.de) for the Federal Agency for Nature Conservation with the generous support of the German Federal Ministry for the Environment, Nature Conservation and Nuclear Safety. Implementation partners are IASS Potsdam and WWF.
